HOGWARTS LEGACY WORLD MAP

by game-maps.com

The map illustrates the vast world of Hogwarts Legacy, divided into several regions:

- NORTH FORD BOG** (Level 10-25)
- FORBIDDEN FOREST** (Level 20-40)
- NORTH HOGWARTS REGION** (Level 1-20)
- SOUTH HOGWARTS REGION** (Level 1-20)
- FELDCROFT REGION** (Level 15-40)
- PITT-UPON-FORD**: Pitt-upon-Ford is the southernmost hamlet in the woodlands, which means 'place by a shallow river'.
- UPPER HOGSFIELD**: Upper Hogsfield is in the countryside and is the closest hamlet to Hogsmade. Because of its proximity to Hogsmade, the inhabitants dubbed themselves 'Hogsfield'. However, around the same time, Lower Hogsfield also opted for the name 'Hogsfield' after Hogwarts. Thus, an unhappy compromise was decided upon and each village added a qualifier to their name.
- HOGSMEADE VALLEY** (Level 1-25)
- HOGSMEADE**: The only all-wizarding village in Britain.
- HOGWARTS GROUNDS**: The grounds surrounding Hogwarts castle.
- ARANSHIRE**: Aranshire is a small hamlet that has recently been dealing with a spider infestation.
- LOWER HOGSFIELD**: Lower Hogsfield is located in the countryside and is the closest hamlet to Hogsmade. In reverence to the school that taught them all, the inhabitants decided on the name 'Hogsfield'. However, around the same time, the villagers of Upper Hogsfield also opted for the name 'Hogsfield', after Hogsmade. Thus, an unhappy compromise was decided upon and each village added a qualifier to their name.
- BROCBURROW**: Brocburrow is a community located in the countryside. Famed Auror Helen Thistlewode is among the notable witches and wizards to hail from this hamlet.
- HOGWARTS VALLEY** (Level 10-30)
- KEENBRIDGE**: Keenbridge is a community in the swamplands located next to a large lake. It is said that Keenbridge received its name from a large, magical bridge that was said to bring you to your love. However, there is no such bridge in the region.
- MARUNWEEM**: Marunweem is a peaceful fishing hamlet, situated next to a lake. Lately they've come into a spot of trouble with many Poshers setting up camp in the area.
- FELDCROFT**: Feldcroft is a quaint village in the countryside. On the far side of the mountain, Feldcroft is surrounded by fields and the ruins of an ancient castle.
- IRONDALE**: Irondale is a wizarding settlement in the countryside. Originally founded by goblins to mine iron, the goblins were pushed out when the hamlet became famous for its ironworks. The new inhabitants changed the hamlet's name from its original Gobbledygook to Irondale. Now, the hamlet is entirely made up of witches and wizards.
- BAINBURGH**: Bainburgh is a working hamlet on the coastline. This hamlet was named for the prominent house and family that lived nearby. Over the years, the house employed many of the hamlet's inhabitants and later became a manor. The manor has since been abandoned.
- CRAGCROFT**: Cragcroft is located on the coast, is the southernmost wizarding settlement in the entire region. This village is plagued by Stoneback Dugbogs, and for that reason the inhabitants of this village are a tight-knit community.
- MANOR CAPE** (Level 25-40)
- CLAGMAR COAST** (Level 30-40)
